

Application for Heinz C. Prechter Scholarship and Kurt R. Jankowsky Scholarship

Through the generosity of the World Heritage Foundation, the German Department is able to provide a maximum of five ***Heinz C. Prechter Scholarships*** to enable students from Georgetown University to participate in the Trier Summer Program. In addition, through its George M. Roth Endowment Fund, the German Department will designate no more than two German majors participating in the Trier program as recipients of the ***Kurt R. Jankowsky Scholarship***. Scholarships are normally limited to ***no more than half the cost of the summer program***. Recipients are selected by the Chair of the German Department and the Director of the Trier Summer Program on the basis of students' financial need and their academic merit. According to the endowment guidelines, students from the McDonough School of Business and German majors will receive preference for the Prechter Scholarship.

The deadline for the scholarship application is the same as for the regular application. The selection decisions are made within a week and communicated to the students at that time.
